Social skills are not an elective. They are a mandatory social reality. Back to Basics polishes your precious gem (your child) with the 4 C's: Confidence, Character, Civility and Charm. **Back To Basics** empowers the "Internet Generation" using Etiquette, Life Skills and Social Dance coaching to smoothly navigate social, academic and professional environments.

Curriculum topics include:

- Introductions
- First Impressions & Body Language
- Public Speaking
- Social Dance
- General table manners intro
- Setting a formal and casual table
- Parents Showcase

Parent Review: "I was so excited when Back to Basics was brought to STMCS! The Dining segment of the course has really helped my daughters be more considerate and conscious of their behavior at mealtimes. They are eager to practice their skills and are more receptive to reinforcement." — Mary Sifferman, Mother of Clare and Riona (2nd grade)

Student Review: "After school, I sometimes help my father at his company and often meet his clients. Now I am more comfortable with eye contact and introductions and will look and feel more composed in a professional environment." — Riley, 8th grade
